Plan for E-Commerce Sales

As a part of the e-commerce strategy we will focus particularly on offering individual flowers, bouquets and products (such as vases, planters, trays and bowls). We are selecting products from Louise Roe that closely resemble the sizes we have chosen for bouquets and selected clear vases.

We would like to go for 8 pieces of the following items in Burgundy and Green:

- City Light 3
- Bon Bonniere Pearl
- Jewel Vase
- Willy
